Roadshark International Inc

RE: Business Reference Letter

To whom it may concern,

Our company has been doing business with Roadshark International for over two years now. We are a military supplier and integrator of product solutions. We focus on the most advanced solutions for specific mission support needs of the US Military. We selected Roadshark International based on their prior reputation within the Military community.

Roadshark has performed admirably on timely shipments. This is critical in our business as we pull together many different companies products and integrate them into our solution. Accurate cost quotes and dependable delivery schedules are critical to our success and Roadshark has been one of best suppliers in this area.

The US Military consistently has unique needs that require modifications to most of the shelf products. Roadshark has been excellent to work with in meeting these special needs. They consistently exceed our minimum requirements with a very positive attitude.

We recommend them to anyone that is considering a well designed solution provided by a company that is very dependable and honest.

Best Regards,
